

U.S. National Phase of International Application No. PCT/SE2004/000424

Inventor: Jan KASSIBRAHIM

Title: A SET OF TEATCUPS, AND A MILKING MEMBER

Preliminary Amendment

Amendments to Specification

Applicants submit herewith an Abstract attached as an appendix. The Abstract is typed on a separate sheet pursuant to Rule 1.72(b) taken from the abstract of the invention appearing on the cover page of the published International Application.

Please insert the following sentence at page 1 of the published international application after the title but before the caption, "THE BACKGROUND OF THE INVENTION AND PRIOR ART":

-- Applicant hereby incorporates by reference International Application PCT/SE2004/000424, filed 22 March, 2004, claiming priority from Swedish Application No.0300892-7 filed 28 March, 2003 (also incorporated by reference herein). --
